

Digital Content Specialist Internship

Unpaid Internship

Full Time Position 39,5h per week

Dublin, Ireland

Ohma Digital is a Creative Agency established in 2018 to help SME and local business to optimise their digital presence. With a high focus and a result-driven attitude, Ohma focuses on a creative and bespoke approach that serves best their customers.

As a Digital Content Specialist, you are responsible to create, curate and publish digital content for Ohma customers. You follow the content strategy for the client you are in charge of. You can work in collaboration with the client and or the agency customer success or project manager.

You have excellent written and verbal communication skills. You are quality and customer centric with solid organizational skills. You have the ability to work on multiple projects and a strong attention of detail.

Deliverables:

- Content creation for Website and Social Media platforms such as Instagram, LinkedIn, Facebook, Website Blog posts, ...
- Social Media Management
